

RIVER RIDGE 2019 ELECTION

Howard Powell
152 Coulee Trail
Bracey, Va. 23919

My name is Howard Powell. I am a full time resident in River Ridge. I live at 152 Coulee Trail, Lot C-20. I have submitted my name to be put on the slate of nominees for a position on the Board of Directors in the 2019 election.

I have been a property owner in River Ridge since 2010. I worked as a full time employee for River Ridge maintenance for six years. I am experienced in the operation and maintenance of all the major systems in River Ridge (water plant, sewer plant, electrical, etc.). I also do a good deal of plumbing work for many of the residents of our community.

I am retired, but my career was in the field of construction. I worked for 36 years in the construction field in the Richmond/Petersburg area. I was a top foreman for 25 of those years. I feel I have the knowledge and experience to correct some of the inadequacies in the infrastructure of our community.

For the past two years, the majority of my time has been spent at our pool. Our main focus has been to insure that our pool operates above and beyond expectations. I thoroughly enjoy helping with the maintenance and upkeep at the pool and interacting with all who come out to enjoy a swim.

I also serve on River Ridge Security. Our goal is to keep everyone as safe as possible and to assist in any way we can.

I consider the vast majority of the property owners of River Ridge as part of my extended family. I would like to offer my assistance and knowledge to other areas of our community by becoming a member of the Board of Directors. I believe I could be an asset to our community and would appreciate your support during this election.
